

FILL IN THE GAPS WITH THE PROPER GRAMMATICAL FORM

9

Computers and microchips already <input type="text"/> part of our everyday lives.	BECOME
We read magazines which <input type="text"/> on computers, we buy things with the help of computers, we pay bills prepared by computers.	PRODUCE
Just <input type="text"/> a phone call involves the use of a sophisticated computer system.	MAKE
In the past, life without computers was much <input type="text"/> than it is today.	DIFFICULT
The first computers were able to multiply long numbers, but they <input type="text"/> do anything else.	NOT CAN
Nobody <input type="text"/> stories about robots and space travel, but now computers are able to do almost all difficult jobs.	BELIEVE
What makes your computer such a miraculous device? It is a personal communicator that <input type="text"/> you to interact with other computers and with people around the world. And you can even use your PC to relax with computer games.	ENABLE
