PART 3: READING

Read the text and circle the correct answer.

Community service is work done by a person or group of people that benefits others. It is often done near the area where you live, so your own community gets the benefits of your work. You do not get paid to perform community service, but get to learn a lot. Community service can help many different groups of people, even animals and the environment. Community service is often organized through a local group, such as a place of worship, school, or non-profit organization, or you can start your own community service projects.

Community service can even involve raising funds by donating used goods or selling used goods like clothing.

Many people participate in community service because they enjoy helping others and improving their community.

31. What is community service?
- A. It is a work done by a person that benefits others.
 - B. It is a work done by group of people that benefits others.
 - C. It is a work done by a person or group of people that benefits others.
 - D. It is work done by only one person that benefits others.
32. Where is community service often done?
- A. It is often done far your hometown.
 - B. It is often done near the area where you live.
 - C. It is often done in a village.
 - D. It is often done in big cities.
33. Is community service a paying job?
- A. Yes, it is
 - B. No, it doesn't
 - C. Yes, it does
 - D. No, it isn't
34. Why do many people take part in community service?
- A. Because they like doing it.
 - B. Because they enjoy helping others
 - C. Because they want to improve their community
 - D. B and C are correct.
