Lesson 46. Cause and Effect - Problem and Solution Essay

You should spend about 40 minutes on this task.

Write about the following topic:

> As countries develop, their populations tend to live individually or in small family units. In your opinion, what are the causes and what are the effects on both individuals and society as a whole.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Write at least 250 words.
