A: What do you think about the (architecture / architectural)[1] of the new museum?

B: I like it. It's quite (obvious / impactful)[2], so I feel engaged before I even see the exhibits.

A: I agree, and there are (comfortable / removable)[3] seating areas, too.

B: There is one problem, though. There's no (technological / obvious)[4] place to park.

A: True, but it's in a (residential / resident)[5] zone, so they don't want you to drive to it.

B: That makes sense. Too much traffic is really (protective / negative)[6] for the area. I'm sure they want it to be (attractive / attraction)[7] to tourists.
