##### HOUSES TO RENT

**Downland Cottage** is a small house just two minutes from the library and ten minutes from the centre of town. Downstairs, there is a living room, a small dining room and a modern kitchen. Upstairs, there are two bedrooms and a large bathroom. The house is over 100 years old, but it has a new central heating system. There is a pretty garden, which is easy to look after, and a garage next to the garden. Downland Cottage is in a small, quiet road of only six houses.

**Seaview** is an attractive old house on the coast road with parking space for three or four cars. There aren't any neighbours close by and it's a five-minute walk from Burntown Beach. Downstairs there's a living room, a dining room, and a very big

kitchen. There's also a library, so it's great for someone who likes reading. There is no central heating, but each room has a fireplace and the house is very warm. Upstairs there are four bedrooms, two bathrooms, and a shower room. The bedrooms are freshly painted and have new carpets and furniture. They all have large balconies and fantastic views over the sea.

**Redcliffe** is a town house and is only ten years old. Redcliffe is opposite the train station and there are regular trains to London. The house has a large living room, a kitchen, and a dining room downstairs. On the first floor there are two bedrooms and a really lovely bathroom. There is another bedroom and a small study on the top floor. In front of the house there is a small garden and a space to park a car on the street. There is a big park nearby, so it's great for anyone with children. It's a little bit more expensive, but it's a really nice family house.

**VI. READING 2:**

**Read the passage and choose the best answers**

**Life in cities**

Do you live in a big city? It is said that living in big cities is expensive because of the high living cost. There are also pollution and traffic problems that make living in big cities unpleasant. However, many people enjoy living in big cities because they offer convenience and countless **options** for entertainment.

Many big cities have good public transportation systems, which make it easy for the citizens to travel around the city. This also reduces the problem of traffic jams that often occur at peak times. With the convenience of public transportation, the citizens can save money as they do not have to pay for parking charges.

In big cities you can find the best possible medical care for any diseases, especially the severe ones. Moreover, compared to rural areas, access to medical treatment is easier because there are always clinics or medical centers that open 24 hours in many parts of the city so you can get medical help anytime. Reaching hospitals is also easier as public transport is usually available 24 hours a day.

There is a saying that big cities never sleep. This is true for some cities in which the nightlife begins just when people in other cities are ready to go to bed. Big cities like New York, Madrid, London and Paris have **vibrant** nightlife. People can still find entertainment, dine out or go shopping in the early hours.

In cities, there are often many different communities that hold social events or parties, which provide interesting opportunities for social interactions and social networking. The social interactions allow you to learn about other cultures and share interests with people from different backgrounds, which makes you more open-minded and able to understand people. On the other hand, the social networking helps you to broaden not only personal but also professional relationships.

All in all, living in big cities is more **convenient** because of the complete facilities provided. The advanced transportation system enables the citizens to access public facilities easier, cheaper and faster. Big cities also provide better education and health service. In addition, city life is more fun and exciting because there is a wide range of entertainment to enjoy and a lot of social events to attend.
