**Read the passage and choose the best answer (A, B, C or D) to each of the questions.**

The culture of Malaysia is influenced by various cultures of different groups of people in Malaysia, mainly Chinese and Indian. Different ethnicities in Malaysia have their own culture, with some crossover. One thing **they** share in common is the long tradition of arts and music.

Music and arts performed in Malaysia are different from regions to regions. The music is based around percussion (sự va chạm) instruments, especially the drum called Gendang. Also, there are many kinds of tradition dances reflecting great spiritual significance. One important point is that the Malaysian government has limited rap music and heavy metal because they believe that those kinds of music can cause **negative** impacts on the youth.

The diversity in nature and culture, along with the great variety of cuisines in Malaysia has attracted a lot of tourists each year. Also, more reasonable price than other countries such as Singapore is another feature that makes Malaysia more considerable for tourists. If you are looking for a wonderful vacation with affordable costs, Malaysia is one of the most recommended destinations.
