E	C	D	X	E	I	J	R	W	U	A	V	T	E	Z
D	M	Q	S	Y	X	P	O	I	S	O	N	O	U	S
A	F	M	R	O	O	U	P	S	A	C	Y	I	Z	U

poisonous	hunt
predator	prey
species	insect
camouflage	stripes
copies	spots

- 2 Read and write. Use words from the puzzle.

- It's hard to see some animals because of the marks on their bodies.  
The \_\_\_\_\_ on some animals can be used as \_\_\_\_\_.
- A/An \_\_\_\_\_ uses camouflage so it doesn't frighten its  
\_\_\_\_\_ when it's time to hunt.
- Some animals use color so other animals can't see them. A/An \_\_\_\_\_ that  
is green is safe on a leaf.

- 3 Match. Make logical sentences.

- |  |   |
|--|---|
| 1. Some harmless insects have colors                   | a. that look like eyes.                       |
| 2. A frog has two spots on its back                    | b. that can run away when scared.             |
| 3. The tiger has stripes on its body                   | c. that help to camouflage it in a jungle.    |
| 4. Predators try not to be seen<br>when they hunt prey | d. that are the same as poisonous<br>species. |

4

**Listen for the puzzle words.** Write the matching words under the photos. TR: 6.1

insect

rabbit

tiger

predator, stripes

butterfly

spider

5

**Make sentences.** Use at least two of these words in each sentence.

camouflage copy hunt insect poisonous predator prey species

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
