

## READING: FOOD AND DRINK

*What are your favorite food and drinks?*

My favorite food is hamburgers. I love making and, of course, eating hamburgers. I always prepare my hamburger with a lot of cheese and double meat. But I don't like onions, so I do not add onions to my hamburgers. I also like McDonald's hamburgers. The Double Quarter Pounder with Cheese Meal is my favorite combo. It brings a portion of French fries, and you can choose the drink you prefer the most. I usually pick Diet coke in my combo, although I really enjoy ice tea.

I love eating pasta. I like fettuccine, lasagna, macaroni, spaghetti with meatballs, etc. I never get tired of pasta. It is my favorite food! Although, what I really like the most is seafood: fish, shrimp, lobster, crab, squid, etc. I enjoy a lot the seafood salad that my mom makes. It has mussels, shrimp, salmon grilled, tomatoes, lettuce, and capers. It is delicious! My favorite drink? I enjoy juice, coffee, milk, yogurt, lemonade, milkshakes, etc.
