People in tall buildings
And in stores below;
Riding elevators
Up and down they go.

People walking singly,
People in a crowd;
People saying nothing,
People talking loud.

People laughing, smiling,
Grumpy people too;
People who just hurry
And never look at you!

Sing a song of people
Who like to come and go;
Sing of city people
You see but never know!

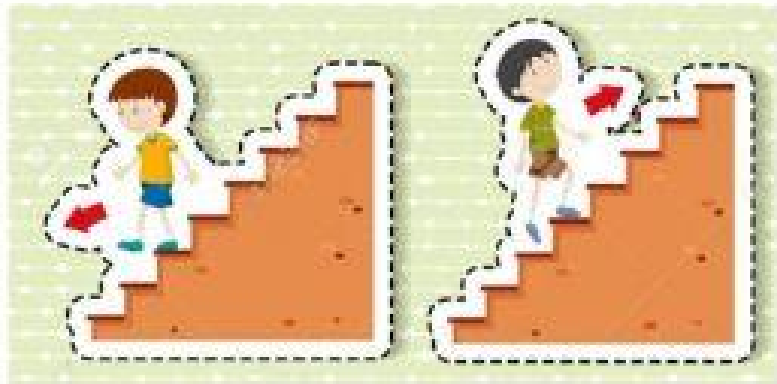

Let's guess the opposites!
