

## ACCOMMODATION – VOCAB 2

- 1) Read how Giorgio describes what he does before and after he goes to university each day. For each question, choose the best answer A, B or C.

Every weekday morning, my alarm goes 1 \_\_\_\_\_ at 8:30am. This gives me enough time to get ready before my lectures start at 10:00am. Then, I 2 \_\_\_\_\_ up and go downstairs. I'm often too tired to eat breakfast, so I sometimes go to the 3 \_\_\_\_\_ and just get some juice. I always talk to my housemates if they are there, in the 4 \_\_\_\_\_. After that, I head back upstairs to get ready. I go to the bathroom, 5 \_\_\_\_\_ my teeth, and sometimes 6 \_\_\_\_\_ my room. When it's time to leave, I pack my bag and go to college. At the end of the day when I get back home, I sometimes help the others with the 7 \_\_\_\_\_ – if we don't do it, all the rooms we share get very messy. When the house is clean again, we usually spend some time in the living room. We sit down together on the 8 \_\_\_\_\_ and play games online for a while. We're always happy when we get the chance to do this, as it helps us relax. Before I go to sleep, I sit at my 9 \_\_\_\_\_ and do my homework. I never forget to do it. At the weekend, I can finally relax. I have a lie 10 \_\_\_\_\_ until about 11:30am.
