

### SOME IRREGULAR VERBS

| Nguyên thể<br>V-bare infinitive (V1) | Quá khứ đơn<br>Simple past (V2) | Quá khứ phân từ<br>Past participle (V3) |
|--------------------------------------|---------------------------------|-----------------------------------------|
| Hear                                 |                                 |                                         |
| Hit                                  |                                 |                                         |
| Hold                                 |                                 |                                         |
| Hurt                                 |                                 |                                         |
| Keep                                 |                                 |                                         |
| Know                                 |                                 |                                         |
| Lead                                 |                                 |                                         |
| Leave                                |                                 |                                         |
| Lay                                  |                                 |                                         |
| Lend                                 |                                 |                                         |
| Lie                                  |                                 |                                         |
| Lose                                 |                                 |                                         |
| Make                                 |                                 |                                         |
| Mean                                 |                                 |                                         |
| Meet                                 |                                 |                                         |
| Pay                                  |                                 |                                         |
| Put                                  |                                 |                                         |
| Read                                 |                                 |                                         |
| Ride                                 |                                 |                                         |
| Ring                                 |                                 |                                         |
| Rise                                 |                                 |                                         |
| Run                                  |                                 |                                         |
| Sew                                  |                                 |                                         |
| Say                                  |                                 |                                         |
| See                                  |                                 |                                         |
