Unit 3: Exercise 2

Read the information about college clubs. Then complete the exercise on the next screen.

A Computer game club
Do you love playing computer games? The computer club meets every Monday and Wednesday at 4:00 p.m. in the small hall. Bring your laptop and games and come and join other computer game fans. We play a lot of different games, but sports and driving games are very popular with our members. Once a year, we have a 24-hour games meeting, for the biggest fans of computer games.

B Book club
If you love reading books, come to our book club. We meet on the last Thursday of every month between 1:00 p.m. and 2:00 p.m. in the college café to have coffee and cakes and talk about the book that our members chose to read in the last meeting. We read many different types of book, from books on history to ghost stories, and we are always happy to try reading something new. We have many new members this year, so it is a good chance to make new friends who also enjoy reading.

C Photography club
Come to our photography club to find out everything you need to know about taking fantastic photographs. In the photography club, you will learn how to use your camera in different ways to take amazing pictures. We meet every week at 3:00 p.m. in the college library, but we often go out to different parts of the city to take photos. We hold a popular photography competition every year and put up the best pictures in the library.

D Cooking club
The cooking club is always popular with students at the college. We meet once a month in the college kitchen near the big hall and cook dishes from different countries in every meeting. In the last meeting we cooked an Italian pasta dish, and next we will cook a traditional Indian curry. Afterwards, we sit down and enjoy the food together. Please see the cooking club poster to find out what food to bring.

Match the information with the clubs. Read about the college clubs on the first screen again to help you.
