The worksheet contains the following elements:

- Map of the British Isles:** The map is color-coded by region: Scotland (yellow), Northern Ireland (orange), England (blue), Wales (green), and Northern Ireland (red). There are several empty white boxes with black outlines placed over the map for labeling regions and capital cities.
- Country Identification Section:** A large empty white box with a red border is at the top right. Below it is the Union Jack flag. To the right of the map, there is a 'no' symbol (a red circle with a diagonal line) over a small European Union flag.
- Ireland Section:** Below the main map is a smaller map of Ireland, colored red. Above it is the European Union flag, followed by a large empty white box with a red border. Below that is the flag of Ireland (green, white, and orange vertical stripes).
- Watermark:** The text 'LIVEWORKSHEETS' is visible in the bottom right corner.
