

E11- ÔN LỚP HKI – TEST 5

PART A: MULTIPLE CHOICE .

Read the passage and choose the best answer for each question.

There are books with fairy tales in many countries. Often the same stories are known and repeated in many different languages. Most fairy tales begin with “Once upon a time” and end with “They lived happily ever after” so we will begin in the same way.

Once upon a time there was a girl called Cinderella who did all the work in the kitchen while her lazy sisters did nothing.

One night her sisters went to a ball*! at the palace. Cinderella was left at home, very sad. After a time her fairy god-mother appeared and told Cinderella that she could go to the ball - but to return home by midnight.

So she went to the ball in beautiful dress in a wonderful coach. She danced with the prince but at midnight she ran back home, leaving one of her shoes on the dance floor. The prince wanted to see her again and went to every house in the capital until he found that the shoe was the right size for Cinderella. She and the prince were married and lived happily ever after.

() a formal social gathering for dancing*
