

Stone 4: Talking about the time

What time is it?	
It's four o'clock.	
It's half past seven.	
It's quarter past six.	
It's quarter to ten.	
It's five minutes past nine.	

Stone 5: Talking about timetables and school subjects

When is PE?	
When is our next break?	
Do we have English before or after our lunch break?	
We have Dutch in the afternoon.	
My day starts with French.	

Stone 6: Talking about likes and dislikes

What do you like about school?	
What do you like doing after school?	
What is your favourite subject?	
Is maths your least favourite class?	
Our school is great because the teachers are nice.	
I dislike English.	
I am not good at it.
