Palabras de Año Nuevo

Completa las oraciones. / Complete the sentences

The Hispanic New Year begins with different rituals.

From pouring  outside the house in pots to

 ragdolls to leave behind all the negativity. Some

take a  and walk the block in order to travel in the

next year. Another ritual is to place  inside a

shoe to have good finances. Thinking of 12 wishes when the

clock strikes midnight will be done by eating 12 .

Over the shoulders will be going the 

, so the bad

luck stays behind. Making the first new year step with the

right  is part of the many beliefs for a new year.
