

Adverbs

An adverb describes a verb.

She walked **quickly**. He sang **loudly**. She sighed **sadly**.

Adverbs tell us **how** something happened. They can also tell us when and where things happen. She walked **outside**. He **often** sang. She **always** sighed. Watch these videos to find out more:

These videos explain the difference between adjectives and adverbs:

Look at how we turn adjectives into adverbs:

happy	happily
careful	carefully
sad	sadly
safe	safely
some adverbs are irregular	
good	well
hard	hard
fast	fast

Finish these sentences. Make the adjective into an adverb.

He drove (safe)

He spoke (quiet)

She danced (beautiful)

They worked (hard)

Talk to yourself today and describe how you do things. Use adverbs!
