**Write the time in words.**

We write time using words like this....

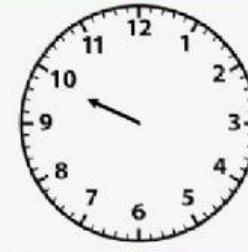

**20 minutes to 1**  
**20 minutes past 1**  
**Quarter past**  
**Quarter to**  
**Half past**  
**O'clock**

Estimate (guess) the minutes by looking at the hour hand on the clock. Do you think it is 15 minutes? 30 minutes or 45 minutes?
