Name: _____ **Date:** _____

Grade 3
Mathematics Term One Review Sheet
Paper #1

Read ALL questions. Show ALL necessary working. (1pt. ea.)

Add

18 + 6 = _____   9 + 4 = _____

```
   4 1          5 2 7         3, 5 7 1          2 4
 + 1 7        + 1 6 0       + 8, 2 4 6          7 1
                                             + 4 3
```

Subtract

10 - 3 = _____   19 - 4 = _____

```
   4 8          7 8 6         4 5 1          2 0 0 0
 - 2 6        - 4 7 5       - 3 6 8        - 1 6 4 2
```

Application – (2pts ea.)

1. The students of grade three made 26 containers of crunchy slime and 42 containers of fluffy slime. How many containers of slime did they make altogether?

2. Mrs. McKinney's class caught 205 grasshoppers. 103 of the grasshoppers hopped away. How many grasshoppers were left?

3. Ms. Pinder's class has 448 pencils. They sold 164 of the pencils. How many do they have left?

4. Mrs. Gibson's class has 237 notebooks in the storeroom. They bought 128 more books. How many books do they have in all?
