Hello. Nice too meet you. I'm Alex and these are my activites during a typical day. I usually get up very early - at about 5:30 am. I have breakfast with my wife, and then leave for work at 6:30. I go to work by train, and get to the office just before nine. When I arrive at the office, I always check my email on my computer. I get a lot of messages from our clients and cooworkers. Then I usually have a meeting with my workteam from 10 to 12 o'clock. I have lunch in the cafeteria at 12. The food isn't very good, but it's cheap. After lunch I sometimes meet other clients, or write reports. I usually finish work at about 5 o'clock, I sometimes work overtime. I get home about an hour later, and have dinner with my family. In the evening, I play with my two children for a while and my wife helps them with their homework. Later, we watch some television before going to bed.
