JODIE: Hi! I'm Jodie Styler. I go to Sudbury Valley School in Massachusetts. It's very different from my old school. At my old school we had to follow a timetable and we had to do lots of exams. At this school you can choose what you do. You don't have to follow a school timetable. You don't have to do tests and exams. And you don't have to sit in a classroom all day.

But there are rules at my school too, and everyone has to obey the rules! For example, we all have to help with the cleaning.

We make the rules at our School Meetings. All the students can give their opinion, and then we vote. When someone is speaking at a meeting, you mustn't interrupt.

At Sudbury Valley, you have to think for yourself. That's why I like it here.
