

## Syasya's holiday in Singapore

When we woke up on the first day of the holiday, we went downstairs to the breakfast room at the hotel. We ate delicious food ready

for our busy day in Singapore. We decided to go to the zoo.

The bus to the zoo was covered in pictures of animals and was very colourful. I felt excited. The journey was not too long and soon we were looking at all the amazing

animals. My favourites were the chimps and the giraffes. I also enjoyed playing at the water park. I got very wet when the bucket of water tipped onto my head! It was a great day!
