Describe the Sun Bear using suitable adjectives.

long	small	pointy	black
------	-------	--------	-------

Write THREE simple sentences describing Sun Bear.

Example: Sun Bear has two tiny ears.

Sun bear

The Borneo rainforest is a habitat for many special and endangered animals. Today you will meet a rainforest animal called Sun bear.

Sun bear has a small yellow shape on its chest, which looks like the sun. This is why it is called Sun bear.

Sun bear is a small bear. It has black fur and small ears. Sun bear eats bugs and honey. It has a very long tongue. It gets bugs and honey from holes in the trees with its long tongue.

It has big paws and long claws. The long sharp claws help it climb trees.

Sun bear is a very shy and quiet animal.

Comprehension questions
