task 7. Read and tick ☑ True or False. There is one example (0).

Dear Ben,

Last summer, I visited Hue, a big city in the Centre of Viet Nam with my parents. We went there by coach. We stayed in a hotel in a busy street. There's a supermarket next to the hotel. There's a park and a theater on the corner of the street. We visited some interesting places such as Dong Ba Market, Thien Mu Pagoda, and Bach Ma National Park. The weather was fine during the trip. However, it was cooler and drier than in Ha Noi. I really enjoyed the trip. It was more exciting than I expected.

Bye,

Nam
