Hugh W. Campbell Primary School Grade 3 Term One Review Sheet- Reading Comprehension Paper 2

A. Read the following passage carefully. Answer the questions appropriately. (8 pts)

Every day, people help us in many ways. To help means to give what is needed and useful. It also means to make things better. So helpers are the people who give us what we need and who make our lives better.

There are many helpers around us. Persons in our families can be helpers. Our mother helps with homework. Fathers can help us learn about the world. Teachers are also helpers. They help us in many ways. They help us to read and write. A teacher helps us to understand new ideas.

The world is full of helpers. Families love you. Teachers help you learn and others helps us in many ways. All of them give what is needed and useful.

- 1. What is this story mainly about? (1pt)
- a. Families are good.
- b. People who help.
- c. Teachers help you learn.
- d. Fathers help us learn about the world.
- 2. Which of the following is **NOT** a detail from the story? (1pt)

B. Read the story. Answer the questions appropriately. (4 pts)

There are many objects in our Solar System. We live on planet Earth but there are many other objects like the sun, other planets, comets and more. There are eight other planets near Earth. All planets move in paths, or orbits around the sun. The sun is not a planet. It is a big star. The sun is very hot and bright. It gives heat and light to Earth.

"All planets move in paths,	or orbits around the sun.	"The word orbit mean
stars		
move in paths		
object		
. planet		
. Place the following words	above the right column (3	pts).
. Place the following words	above the right column (3	pts). Solar System
	- III (II)	.f. 1/2
2. Place the following words Sun	- III (II)	.f. 1/2

Not a planet
