

Sentence Fragments

The Harvest BirdsGrammar:
Spiral Review

- A **sentence** is a group of words that tells a complete thought. It tells who or what, and it tells an action or state of being.

A man planted seeds in his garden.

Write the group of words that will complete each sentence.

1. A bird _____.

lives in the tree on the fence

2. Rabbits _____.

soft and cute like to eat garden vegetables

3. _____ are vegetable eaters.

Rabbits Usually

4. _____ ate the whole garden of flowers.

Broke through a fence A herd of goats

For each item, combine the two fragments to write a complete sentence.

5. A bird is. a clever but shy animal.

6. A garden needs. a fence that can keep animals out.
