Dear Izumi,

I had an awful time yesterday! I went to the leisure center with Peter in the morning. I forgot my swimsuit so I didn't go swimming.

Then we played volleyball with some kids from school. Our team didn't win because Peter was a terrible player! After the game, I broke my sunglasses and then I lost my i-pod!

We came back home at four o'clock and I found my mom outside the house. She didn't have her keys so we all waited for dad in the garden. He came back from work after two hours.

Love,

Lucy
