The video loggers

One rather unlikely word that has recently entered the language is “blog”, a shortened form of “web log”. A blog is a diary posted on the Internet by the person writing it – the blogger (26)_____ presumably expects (27)_____ people to read it. It is ironical that modern technology is being used to (28)_____ new life into such an old-fashioned form as the personal journal. And now, as the technology about video camera is making easier to use, we have the video log, or “vlog”. Vlogging does not require highly sophisticated equipment: a digital video camera, a high-speed Internet connection and a host are all that is needed. Vloggers can put anything that takes their fancy onto their personal website. Some vloggers have no ambitions rather than to show films they have shot while on holiday in exotic places. (29)_____ vlogs can also serve more ambitious purposes. For instance, amateur film-makers who want to make a (30)_____ for themselves might publish their work on the Internet. And increasingly, vlogs are being used to publicize political and social issues that are not newsworthy enough to get coverage by the mass media. It is still too early to predict whether vlogging will ever take off in a major way or if it is just a passing fad, but its potential is only now becoming apparent.
