V. Read and choose the correct answer.

Dear George and John,

We went to the beach last weekend. We had a great time ! We swam and played beach volleyball all day. Last night we ate fish. Do you like fish? My cousins went with us, too. My mother and my father sat under the umbrella all day. Dad read a book and Mum wrote some postcards. I collected some seashells and brought them home.

We miss you!

Love,

Helen.
