III. Read and answer the questions

Yesterday, I was playing video games in my room when I heard people screaming. I went out and saw my neighbor's house was on fire! In less than 10 minutes, the firefighters arrived and fought against the fire for one hour until they made it. WOW! They are really cool! One of them entered the house and saved Johnson's dog that was trapped in the fire. I made a decision: I want to be a firefighter when I grow up. I will be strong and brave enough to fight against the fire to save people's lives. I can't wait!

*Answer the questions:
