

C Draw.

6 pencils		7 pencils	
5 notebooks		10 notebooks	
3 erasers		4 erasers	
8 crayons		14 crayons	

D Look at C. Count and write.

1. How many pencils are there?

There are thirteen pencils.

$$6 + 7 = 13$$

2. How many notebooks are there?

There are _____ notebooks.

$$5 + 10 = \underline{\quad}$$

3. _____ erasers?

$$3 + \underline{\quad} = \underline{\quad}$$

4. _____ crayons?

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
