

# L

1.3 Listen to a very famous song called 'Sunshine' where Present Tenses are used  
Drag and drop and fill in the blanks with the correct words.

chasing      Throwing      been working  
making      breathing      Spend  
been finding      good vibes      been running  
taking      dancing      hit me  
running      smile

Through This Strange Life  
All Them Green Lights  
Out The Shade  
For A Little Bit Of Sunshine  
Hit Me With Them  
Pictures On My Phone Like  
Everything Is So Fine  
A Little Bit Of Sunshine

I'm More Just A Little Bit  
More Just A Little Bit  
Fail a Little Less Just A Little Bit  
My Life Is Woah! Hoo!  
I'm More Just A Little Bit  
A Little More To Get Rid Of It  
A Little More And I'm Into It

Crazy Lately I've  
Tryna Write Myself With Something  
You Just Tryna Get A Word And Life Is  
Not Fair  
I've On My Tunnel Vision  
Tryna Get A New Prescription  
Swings And Even Missin'  
But I Don't Care

I, I, I, I've  
Through This Strange Life  
Chasing All Them Green Lights  
Throwing Out The Shade  
For A Little Bit Of Sunshine  
With Them Good Vibes  
Pictures On My Phone Like  
Everything Is So Fine  
A Little Bit Of Sunshine
