

Me llamo:	Favor de traducir al español. Mi rutina por la noche Todos (myself)
Before going to bed (myself)	
I need to do a lot of things.	
I prefer to bathe	
But I am going to shower	
therefore I have to undress	
After showing	
I have to dry myself	
I like to put on a tee shirt	
Later I should brush my teeth	
Then I can go to bed	
And I hope to fall asleep
