Multiplying by Two Digit Numbers

Remember that multiplication is a quick way to add large numbers repeatedly. Use the Mnemonic below (**M**any **Z**oos **M**any **A**nimals) to help you remember the steps for multiplying by two digit numbers.

LIVEWORKSHEETS

Try These

a) 23 x 42
b) 45 x 16
c) 125 x 27
d) A pilot flies 356 km per week. If she works 48 weeks of the year, what distance does she fly in all.
