

LISTENING- SONG: ARABIAN NIGHTS (<https://youtu.be/CC3YIdceLZ8>)

Es video pero solo debéis escuchar la música

Oh, imagine a land, it's a faraway
Where the caravan roam
Where you wander among every culture and tongue
It's chaotic, but hey, it's

When the wind's from the
And the sun's from the
And the sand in the glass is right
Come on down, stop on by
Hop a carpet and
To another Arabian night

As you wind through the at the fabled bazaars
With the cardamom-cluttered stalls
You can smell every spice
While you haggle the
Of the silks and the satin shawls

Oh, the that plays as you move through a maze
In the haze of your pure delight
You are caught in a dance, you are in the trance
Of another Arabian night

Arabian nights
Like Arabian
More often than not are hotter than hot
In a lot of ways
Arabian nights
Like...

Place	east	west	fly
Camels	streets	price	good
Home	lost	music	days
