Tallying and Frequency Table

Name:_____ Section:_____

1 Mrs Smith made this grouped frequency table to show the scores that her class got in their maths tests.

a How many students are in her class?

b How many students got between 13 and 15 marks?

c How many students got 22 or more marks?

d What marks did most students get?

e If your score was in the 16–18 range, what marks could you have scored for the test?

Score	Frequency
10–12	8
13–15	5
16–18	6
19–21	7
22–24	9
Total	35
