

LOST ON YOU

When Where you get older, plainer, saner
Will you remember all the danger we came from for
Burning like night embers, falling, tender
Long before the _____ of no surrender
_____ ago, and well you know
Smoke them if you he got them
Why Because it's going down
All I ever wanted want was you
I'll never get to heaven heall
Because I 'm not don't know how
Let's raise a glass or _____
To all old the things I lost on you
Tell me, are am they lost on you?
Just that you could cut me loose
After everybody everything I've lost on you
Is that lost on you? (X2)

Wishing He I could see the machinations
Understand the toil of expectations in on your mind
Hold me likes like you never lost your patience
Tell me that you love me more wore
than hate me all the _____
And you're still mine
