B. Put the sentences in the correct order.

- I'll find a way to block it, I go
I'm covering my ears like a kid
I don't mean to judge
La la, la la la la na na na na na
'Cause if my heart can't stop it
When your words mean nothing, I go la la la
I can't find your silver lining
But when you read your speech, it's tiring
I'm turning up the volume when you speak
Enough is enough
