

We are the champions – Queen

Listen and choose the correct answer

I've pay / paid my dues

Time after time

I've done / gone my sentence

But committed no crime

And bad mistakes

I've made / take a few

I've had my share of sand

Kicked in my mace / face

But I've come / came through

And we mean to go on and on and on and on

We are the champions, my friends

And we'll keep on fighting till the end

We are the champions

We are the champions

No time for losers

'Cause we are the champions of the World

I've taken / took my bows

And my curtain calls

You caught / brought me fame and fortune

And everything that goes with it

I thank you all

But it's been / green no bed of roses

No pleasure cruise

I consider it a challenge before

The human race

And I ain't gonna lose

And we mean to go on and on and on and on
