Dear Alice,

How are you and how is your new school? Are there many students? Do you have any new school mates?

I have got some great news. I am visiting Thailand in December and I am planning to stay there for fourteen days. So, this year I am spending Christmas and New Year in a tropical country. I am visiting two places in Thailand: Bangkok and Krabi. In Bangkok, I am planning to stay in a lovely small hotel that's near a colourful fruit and flower market. There are hundreds of different kinds of wonderful and tasty fruit for sale at the market, and I am planning to try all of them. In Krabi, I am staying in a beach hut and I hope there will be lots of time to simply relax and go swimming in the sea.

You know that I love cooking, don't you? Well, I am planning to have some cooking lessons in the first week of my stay in Thailand. I would like to learn how to cook Pad Thai, which is a spicy dish made with noodles, chicken, eggs and spring onion. The secret of a good Pad Thai is the sauce. To make it, you need chilli sauce, fish sauce, soya sauce and some brown sugar.

I also want to learn how to make a yummy dessert made with mango, called: Mango Sticky Rice. To make it, you cook some rice in coconut milk and sugar and then you serve it with fresh, juicy mango.

Well, that is all from me. I am very excited and I promise to send you many photos.

Kisses,
Anna
