# BOOK OVERVIEW

In Aster's Good, Right Things each chapter starts with her good, right thing for that day. These are a brief synopsis or summary of each chapter. Use this same technique to summarise a book of your choice in the space below. The overview should be around 3 sentences long and similar to a blurb on the back of a book giving readers a taste of what the book is about - but don't give too much away.

Book title: _____

Author: _____

Overview of the book:

_____

_____

_____

_____

_____

_____

English: ACELT1068 - Identify aspects of literary texts that convey details or information about particular social, cultural and historical contexts.
