

## Lesson 8: My dream house

### Activity 4 Writing

Write a description of your dream house:

- **Where would you like to live?** (city, village, desert, beach, mountains)
- **What type of house would you like to have?** (apartment, house, farm, villa)
- **What rooms would you like in your house?** (kitchen, living room, game room, study room)
- **What would you like outside your house?** (garden, pool, balcony, walls)

### My Dream House

My dream house is an apartment in the city. I want to live in Abu Dhabi because it is my favourite place. I would like to have a games room and a study room. I like being outside, so I would like to have two big balconies.
