Well, there's very little food in there because I eat out most nights. So, there's just a loaf of bread, a bottle of soy sauce, a few cans of soda, and a jar of hot peppers. Yeah, there's not much food in the house.

Oh, there's lots of stuff. There's fruit-oranges, mangoes, a pineapple. And I always have plenty of fresh vegetables - broccoli, tomatoes and carrots. And there's a carton of orange juice and a tube of margarine. I usually buy 1 percent milk because it has fewer calories. And in the freezer, there are one or two frozen dinners, but not many. We don't eat many frozen meals.

Let's see, umm, a carton of eggs, some milk, a pound of hamburger meat, a few slices of cheese, a jar of mustard and a little butter. Um, there aren't many vegetables.

There are just a few of green peppers going bad in the vegetable drawer. I guess I should eat more vegetables.
