

Autonomous, semi-autonomous and remote-controlled robots

Activity 10

Mariam and Ahmed are learning about the **automation industry**.

They are doing some **research** to learn what each industry does.

Use a **search engine** to do some research on what each **industry** does.

The first one has been done for you.

S	Industry	Image	What does this industry do?
T	Automotive		Used for building cars
R	Welding		
E	Food services		Mohammed Bin Rashid Smart Learning Program
A	Law enforcement		
M	Electronics manufacturing		
	Medical
