BE SAFE WHEN YOU TRAVEL. HERE ARE SOME THINGS YOU CAN DO TO HAVE FUN VACATION. LEARN FROM OUR READER'S MISTAKES.

GET A HOTEL
Plan your trip before you go! Leo took a bus to Salvador in Brazil. He didn't get a hotel before the trip. When he got to Salvador, he didn't find a hotel first. He finally found one, but he paid a lot of money for it!

CHECK THE WEATHER
Search the internet for the weather. Rachel went to Rome, but she didn't check the weather for Italy. She took only T-shirts and shorts, and she didn't take a coat. Brrrrrr! She was cold.

MAKE A CALENDAR
Write down the days of your trip, and make a list of things to do each day. Ken and Lee went to South Korea, but they didn't make a list. The first two days of the trip were wasted. They didn't do anything fun because they didn't know where to go. They finally went to sightseeing in Seoul, but they didn't go to the markets. They bought souvenirs at the airport.
