Part 1: (join:1) match the animals with its favorite foods.

The image shows a matching exercise with four rows. Each row contains an animal on the left, a red dot, a large grey question mark in the center, another red dot, and a food item on the right. The animals are a rabbit, a bear, a mouse, and a monkey. The food items are a banana, a slice of Swiss cheese, a carrot, and a barrel of honey.
