| 1. Is this bottle of water biodegradable?                                       | a. Yes, it is. There was a lot of overfishing here a few years ago.           |
| 2. People say that there are no fish in this sea. Is that true?                 | b. No, it isn't. It's plastic!  |
| 3. Ugh! This sand is black, not yellow. The water is black, too. What happened? | c. People throw garbage into the rivers. Then the garbage travels to the sea. |
| 4. Why are our oceans and rivers so dirty?                                      | d. There was a big oil spill last year. We are still cleaning up.             |

**3 Write.** What can we do to protect the ocean? Write your ideas. Use four words from each list.

oil spill	plastic
garbage	biodegradable
overfishing	

clean up	stop
pick up	throw
