

3 Complete the text about sharks with the adjectives in brackets. Use (not) as ... as, the comparative or the superlative.

Diving with sharks is becoming a very popular activity. Diving is
¹ _____ (adventurous) ordinary water sports, and
diving with sharks is ² _____ (exciting) type of
diving. It is an amazing experience! People often dive with sand
tiger sharks. These sharks are ³ _____ (strong)
ordinary fish, but don't worry – they never eat people. They
are big sharks but they are ⁴ _____
(huge) great white sharks. At 3 metres from head to tail,
they are ⁵ _____ (long) any human. Sand
tiger sharks are ⁶ _____ (shy) other fish, so you
can swim near them. But they aren't ⁷ _____ (friendly)
fish, so you can't play with them. However, you can watch them and take photos
of them.
