READ THIS DIALOGUE

Indira: Dinda, do you have a best friend?

Dinda: Yes, I do

Indira: What does your best friend look like?

Dinda: My best friend is a girl. Her name is Atik. She is beautiful. She is tall. She is slim. She has oval face. She has brown eyes. She has pointed nose. She has medium hair. She has black straight hair. She has thin lips.

Dari dialog di atas kita bisa melihat bagaimana cara menanyakan PHYSICAL APPEARANCE dan cara mendeskripsikan PHYSICAL APPEARANCE

Cara menanyakan PHYSICAL APPEARANCE dengan menggunakan pola kalimat:

What + do/does + Subject + look like + ?

Contoh:

What does Hilda look like? (kita menggunakan does karena subyek jumlah 1)

What do they look like? (kita menggunakan do karena subyek lebih dari 1 jumlahnya)

Nah sekarang bagaimana cara mendeskripsikan "PHYSICAL APPEARANCE"?

☞ Menggunakan pola kalimat

Subject + be + adjective
is/am/are

(materi "be" di atas sudah kita pelajari di semester awal, tolong dibuka lagi catatannya dan diingat-ingat lagi ya..)

☞ Menggunakan pola kalimat

Subject + V1 / V1+ -s/-es

Bagaimana perbedaan penggunaan V1 dan V1+ -s/-es? Mari kita lihat di tabel di bawah ini:

	V1	V1+ -s/-es
Subject	I, you, we, they, orang <u>lebih dari 1</u>	He, she, orang <u>jumlah 1</u> .
Examples	1. <u>You have</u> bright eyes. 2. <u>They have</u> straight hair.	1. <u>She has</u> small eyes. 2. <u>He has</u> curly hair.
