|---|---|---|---|---|---|
| while(x3) | when(x3) | as | because | and(x2) | However |
| Finally | Unfortunately | in April 1912 | suddenly | Many years later | |

It was a fine spring morning …… ……the Titanic began her maiden voyage from Southampton to New York. …… a terrible accident happened …… the Titanic was sailing in the freezing-cold North Atlantic Ocean. The safest ship in history entered into the fog ……. …… it hit on an iceberg!

Panic started among the passengers …… water began to pour in. People were running up and down the deck …… the ship was sinking. Captain Smith was speaking calmly …… the sailors were helping women and children get on the lifeboats. …… many passengers were left behind …… there weren't enough lifeboats on the ship. …… the Titanic disappeared below the Atlantic ocean …… hundreds of people were lost at sea. Only 780 passengers were still alive …… the rescue boats arrived the next morning.

……, scientists came across fascinating pictures …… they were looking for the wreck.
